Frequently Asked Questions

Q. How do I receive my discount when I go for treatment? Must I file a claim?

A. All you need to do to receive your discount is show the provider your membership card and tell them you are with UHS Chiropractic. To ensure you receive a discount, it is very important that you mention UHS when you make your appointment and at the time of service. Since this is a non-insured plan, there are no claim forms or reimbursement procedure. The discount is always applied at the time of purchase.

Q. How do I nominate my chiropractor for this program?

A. If you wish to nominate your chiropractor to the UHS Chiropractic program, call 800-800-7616 or email nominations@newbenefits.com.

Q. May I use this card in conjunction with my insurance?

A. Yes. In fact, after you pay the discounted amount at the point of service, you may then file the claim with your insurance.
