How to Use Retail Pharmacy

1. Find a participating pharmacy at www.healthysavings.coop or by calling 800-800-7616.
2. Look up current prices at www.rxpricequotes.com.
3. Show the pharmacist your Co-op Connections Card membership card when picking up medications.
4. Pay the discounted amount at the pharmacy.

**Best Price Guarantee: If the price quote given does not match or beat the lowest, non-promotional, regular, every day retail cash price to the public at the Member's local pharmacy, then the Member may ask the Rx.com representative for the "Best Price Guarantee." Subject to validation satisfactory to Rx.com that a lower retail price was quoted to the Member by a retail pharmacy for the identical drug in the identical form and in the same quantity as quoted by Rx.com, Rx.com agrees to honor the lower retail price and shall also deduct an additional \$5.00 from that quoted retail price. This price guarantee applies to brand and generic drugs priced over \$20.00, and it excludes all generic club prices and local promotions. This price guarantee cannot be combined with third-party insurance and is not applicable with drug manufacturer promotions or coupon vouchers. The price guarantee will not be applied after the order has been processed, shipped, or received.*

***An additional shipping charge will be added for expedited delivery and controlled or refrigerated medications.*
