

**COAST TO COAST™
VISION**

Frequently Asked Questions

Q. Is Coast to Coast Vision™ (CTC) discount insurance?

A. No. While an insured plan is available, CTC is a discount eyewear and eye care program. There is no paperwork. The participating retail optical locations will give the discount at the time of the purchase.

Q. Does the CTC discount include family members?

A. It includes the member, their spouse, and all legal dependents.

Q. Why does the discount vary from 10% to 60%?

A. Many variables go into the calculation of the discount such as market demographics, location, hours of operation, one-hour service capability, and level of retail mark-up.

Q. Can members receive the discount at any optical location?

A. No. Members must go to an optical location that is contracted with Coast to Coast Vision to receive a discount. Our providers include national, regional, and local chains as well as thousands of independent professionals.

3. Show the provider your Co-op Connections Card. It is very important that you mention Coast to Coast Vision Network to ensure a discount at the time of purchase.

How to Use Mail Order Contact Lens Savings

Although members receive a 10% to 20% discount when purchasing replacement contact lenses at participating optical centers, the greatest savings and selection for contact lenses is often offered through the mail order program. Replacement contact lenses are discounted at 10% to 40% below retail. And, if your contact lenses are destroyed while you're on vacation, simply call the toll-free number on the back of your membership card. The patient registration keeps your prescription on file until it expires and we can send your replacements overnight to you almost anywhere in the world.
