ARE THERE PRIZES?

Of course! Twelve \$50 bill credits and two \$100 bill credits will be given away as grand prizes this year.

Nominate a local volunteer and they could win \$3,000 for their charity!

PLUG INTO SAFETY

May Is National Electrical Safety Month

Overloaded electrical outlets? It's time to call an electrician and install new outlets.

Every May, we recognize National Electrical Safety Month—but mixing electricity and safety should be a year-round practice! A good place to start is to review what electrical devices you're using every day in your home.

We all love our tech, but many existing homes can't handle the demand of today's electrical devices. If you're overcrowding outlets in your home, enlist the help of a licensed electrician to install new outlets.
