Budget Billing

Sometimes knowing what our monthly expenses are going to be helps us to meet those financial obligations. East-Central's Budget Billing Plan will help level your monthly electric bill so you can better budget your monthly expenses.

How is your budget payment figured?

When you request the Budget Billing plan, we calculate your budget amount by one of two methods:

- If you have an East-Central Iowa REC usage history (less than 3,000 kWh per month), the budget payment amount is based on your previous 12 months usage. An accurate budget figure requires regular company meter reads.
If you have not been at your location of service for 12 months, we will calculate a budget amount based on the previous occupant's usage.

Note: Your account must be paid in full before you are able to enroll or cancel your participation.

To find out more information and what your monthly budget would be, return the form below.

You may also inquire by phone, email, or stop by our Administrative Headquarters in Urbana.

East-Central Iowa REC is an equal opportunity provider and employer.

YES, I would like to find out what my monthly budget amount would be.
